Oct 01, 2009The sacral region of man's body, near the base of the spinal column is of a spongy character into which is secreted from the blood, a small amount of oil, at the same time that the blood throws out refuse into the bladder. In the East this gland is called Kundalini and in the New Testament is known in its Greek name - Kardia.

#### **Human Sexuality Wikipedia**

Human sexuality is the way people experience and express themselves sexually. This involves biological, erotic, physical, emotional, social, or spiritual feelings and behaviors. Because it is a broad term, which has varied over time, it lacks a precise definition. The biological and physical aspects of sexuality largely concern the human reproductive functions, including the human sexual ...
